Tulloch 2008
Semillon - Sauvignon Blanc

HUNTER semillon and sauvignon blanc from Western Australia are combined in this youthful lunchtime tipple from the grand old Tulloch brand. It is lime green-pale straw in the glass and has passionfruit scents. Crisp citrusy semillon flavour holds sway on the front palate and zippy gooseberry and capsicum characters join in on the middle palate. Flinty acid comes through at the finish. Try it with corn and chorizo frittata, Thai-style fishcakes or chicken and mushroom vol-au-vent.

Ageing: drink now
