

## Winsor's choice

Winsor Dobbin has been a journalist for over 30 years, during which he has been based in cities as diverse as London, Paris, Johannesburg and Sydney – and in all of them he has usually had a glass of wine in his hand.

He writes about his greatest passions; food, wine and travel and is most likely to be found where there's a cellar door and good restaurant. Winsor writes for *The Sun-Herald* and a range of magazines and websites.

### **Tulloch 2006 E.M Chardonnay**

I'm not always a huge fan of Hunter chardonnay but I really enjoyed this. Balance is the keyword here, with fruit and oak operating in perfect harmony. Open a bottle, serve with a leg of roast pork and you have a feast on your hands. \$28.
